

GLENPEROTTE
P H O T O G R A P H E R

Studio Corporate Portraiture

In a physical distancing, safe environment.

Whilst we are in the midst of the Covid-19 crisis, businesses still require photography for their marketing purposes. Our studio is centrally located on King St. and all doors are fully open allowing you to enter the space without having to touch any surfaces. Walk straight onto set, have your portrait taken with the photographer (minimum 2 metres away) and leave. It's that simple and stress free.
